GIST

The online test on MTI was conducted by the Department of English for all the UG students. The Google link was shared among the students through their respective WhatsApp groups to upload the list of words that are influenced by the mother tongue. Around 64 students took part in this online test. E-certificate of participation was sent to the students who wrote more than 25 words. Best 2 students were awarded with the prizes for their outstanding performance.

Objectives:

- To get the students acquainted with, how their vocabulary is impacted by the mother tongue.
- To reduce the tendency of MTI during the communication in English.

Outcomes:

- Students were successful enough in collecting the words of MTI.
- The knowledge of MTI influence in their English language was really helpful to accurate their pronunciation skills

Winners:

S.No	Name	Class	Winners
1.	Shaik Afifa Maheen	II BMC	I Prize
2.	Y..Gangothri	II BCOM A	II Prize
