II MSc	

**Number of teams participated in Expo-2019-20:** 25 teams with 56 students.

**Prize winners:**The following students got prizes:

1. First prize: S. Pavani (Electricity through Landfills)

E. Sandhya Rani

2. Second prize: L. Heena Kousar (Working model of Translation)

K. Sahithi

**Program Outcome:** It is clear from the observations and results of the feedback analysis that the expo competition helped the students

- In creating interest in the subject,
- Visualization of the concept,
- In developing team spirit,
- In developing keenness in participating in the learning process,
- To understand the topic in depth and
- To increase desire for learning more and more about the subject.

At last chief guest distributed the prizes to the best exhibits.
