## Gist

### Objectives of Program

- To recap the student's knowledge on "Descriptive statistics and Statistical methods"
- To evaluate the knowledge of the participants within academics as well as beyond academics and to make them familiar with the prospects of quizzes.
- To get Better knowledge retention will help the students be thorough with their concepts.

### About Program

Online quizzes are a great way to help students learn what they learned after studying a particular topic, "Descriptive statistics and Statistical methods". Moodle LMS has a new personality and a redefined user experience that improves online teaching and learning for educators, learners and administrators and mostly benefits to students. Department of Statistics Conducted Online Quiz program in St. Joseph's Degree College Computer labs.

**Date:** 20<sup>th</sup> Oct 2022

**Time:** 8:40 am to 10:00 am

We the department of Statistics had conducted Online Quiz competitions on the occasion of World Statistics day 2022 using Moodle LMS (learning management system) to encourage the statistical knowledge to the first and second year degree students in computer labs with the help of Computer lecturers. **Our Sincere gratitude to Computer department.** Students are enthusiastically participated and the program was celebrated smoothly and in delightful way.
