LETTER TO IQAC

To

The IQAC Coordinator, St.
Joseph's Degree College,
Kurnool.

Dear Sir,

This is to bring to your notice that the Department of Zoology has planned to organize an **Awareness Program on World Mosquito Day at ZPH School, G.Dingavaram, Kurnool, on 20th August 2026**

The objective of this awareness program is to create awareness among school students and encourage them to adopt healthy practices for the prevention of vector-borne diseases.

We hope and trust that this awareness program will be highly beneficial to the students and will help in promoting public health awareness in the community. kindly accept this proposal and permit us to organize this event.

Thanking you, Sir.

Yours faithfully,

C. S. Sreenivasa Rao

Programme Gist

The Department of Zoology, St. Joseph's Degree College, conducted a **World Mosquito Day Awareness Programme** at Z.P. High School, G.Singavaram, Kurnool, to create awareness among school students about mosquito-borne diseases and their prevention. The programme focused on diseases such as **Malaria, Dengue, Chikungunya, and Filariasis**, their transmission, and the importance of maintaining a clean and mosquito-free environment. Students of the Department of Zoology conducted a **live demonstration of traditional mosquito-repellent methods**. To make the session engaging and strengthen learning, an interactive **quiz titled "Pick, Think and Answer"** was conducted, encouraging students to actively participate and apply their knowledge.

Objectives

1. **To create awareness** among school students about major mosquito-borne diseases, their transmission, and preventive measures.
2. **To promote healthy and responsible practices** for preventing mosquito breeding and maintaining a clean, mosquito-free environment.
3. **To enhance students' understanding through interactive learning** by combining scientific explanations, practical demonstrations, and a quiz-based activity.

Outcomes

1. Students gained improved knowledge and awareness about mosquito-borne diseases, their transmission, life cycle, and prevention.
2. Students developed greater awareness of personal hygiene, environmental cleanliness, and practical mosquito-control measures.
3. The interactive quiz and demonstrations increased student participation, interest, and retention of health-related scientific concepts.

Respected Sir/Madam,

Sub: Expression of Gratitude for Conducting World Mosquito Day Awareness Programme – Reg.

We sincerely thank the Department of Zoology, St. Joseph's Degree College, for conducting an informative and interactive "World Mosquito Day Awareness Programme" for our students. The session covered mosquito-borne diseases, the malaria parasite life cycle, preventive measures, traditional mosquito repellents, and an engaging quiz game, all of which were well received by the children.

We greatly appreciate the effort and enthusiasm of the faculty and students involved and look forward to more such collaborative programmes in the future.

Thanking you once again.

Yours faithfully,
