

**INTERACTION OF PLACEMENT OFFICERS
FROM DEGREE COLLEGES
WITH WIPRO HR MANAGER
20-02-2023, 2.00 PM**

Venue: St. Joseph's Degree College, Sunkesula Road, Kurnool

An interaction program between Placement officers from various degree colleges from the Kurnool district and WIPRO HR Manager was organized at our college on 20-02-2023 at 2.00 PM. The program was organized in the skill lab of the placement cell. Placement offices from different colleges attended the meeting.

During the meeting between the placement officers and the WIPRO HR Manager, **Hemalatha Manoharan**, the focus was on discussing the present placement opportunities and future plans for the placement of students who passed out in 2021 and 2022. This is a very urgent requirement and the students will be joining the company within one week of completion of the interview process. The interaction was friendly and fruitful, with both discussing their perspectives and ideas.

The placement officers were curious to know about the present requirements of WIPRO, and the HR manager explained in detail the kind of skills and competencies that the company was looking for in the candidates. The HR manager also shared information about the new opportunities that were available with WIPRO, and how the company was planning to expand its operations in the near future.

The HR manager was very supportive and willing to help the colleges and students in placement. The placement officers were pleased with the positive and helpful attitude of the HR manager and expressed their gratitude for the support offered by the company

Overall, the meeting was one on one and interesting, with both parties exchanging valuable insights and ideas. The placement officers came to know about the new opportunities with WIPRO and gained a better understanding of the requirements for the placement of their students. The HR manager's willingness to help and support was appreciated by the placement officers, and it was clear that WIPRO was committed to building a positive and productive relationship with the colleges and students

Placement Officer
Dr. C V Satyanarayana
