Sub: Submission of Annual Report of St Joseph's Degree College, Sunkesula Road, Kurnool (RU011) for the Academic Year 2025-2026 – Reg.

Ref: Submission of Principal and Faculty Details along with Annual Report for the Academic Year 2025–26, Letter dated - 16-05-2026.

Respected Sir,

With reference to the above, we are herewith submitting the Annual Report of St Joseph's Degree College, Sunkesula Road, Kurnool (RU011) for the academic year 2025-2026 for your kind perusal and consideration.

Yours faithfully,

Introduction

The Annual Report of **St Joseph's Degree College, Sunkesula Road, Kurnool** for the academic year **2025–26** presents a comprehensive account of the academic, administrative, co-curricular, extracurricular, extension, and student support activities carried out by the institution during the Academic Year 2025-26.

The report highlights the achievements in teaching-learning, student development, clubs, cells and committees, faculty engagement, governance, and community outreach. Special attention has been given in presenting activities with outcomes, participation details, and supporting evidence such as tables, photographs, and brief summaries.

Institutional Profile

Brief History of the College

St Joseph's Degree College, Sunkesula Road, Kurnool was established in the year **1994** with the objective of providing accessible and quality higher education to students in and around **Kurnool**. Since its inception, the institution has steadily grown in academic strength, student enrolment, infrastructure, and community reputation.

Over the years, the college has expanded its programmes, strengthened its faculty base, improved campus facilities, and introduced several student-centered initiatives. It continues to serve as an important centre of higher learning with a commitment to academic excellence and social responsibility.

Vision

The Vision of our founders is reflected in the vision of our college that is to impart quality education upholding values of Indian culture. To prepare the young men and women take up the challenges of this age with dedication and commitment.

Mission

To prepare the youth of 21st century imparting need based education that enhances not only livelihood but also value based education that gives roots and wings as well, by promoting International brotherhood, environmental consciousness, gender justice and sense of harmony.

15. Placement Cell

<https://www.sjcknl.edu.in/placementcommittee>

The Placement Cell facilitates campus recruitment and prepares students for employment opportunities. The Cell is committed in empowering students with the necessary professional skills, technical knowledge, and career guidance required to succeed in today's competitive employment environment. It functions as an active support system for students by organizing training programs, placement drives, internships, workshops, and career-oriented activities throughout the academic year.

The Placement Cell adopts a holistic approach towards career development by conducting regular in-campus training sessions through a dedicated training team comprising experienced faculty members. The training programs focus on communication skills, leadership qualities, teamwork, aptitude development, logical reasoning, technical competency, resume preparation, and interview skills. These initiatives significantly improve students' confidence and readiness for recruitment processes.

To strengthen industry interaction and skill enhancement, the college collaborates with reputed government and non-government organizations such as the Andhra Pradesh State Skill Development Corporation (APSSDC), Andhra Pradesh Information Technology Academy (APITA), ICT Academy and Wadhvani Foundation. Through these collaborations, students receive exposure on emerging technologies including Artificial Intelligence, Machine Learning, Cybersecurity, Cloud Computing, Data Analytics, Internet of Things (IoT), Blockchain Technology, and Financial

Technology. The establishment of the Employability Skill Centre (ESC) on campus further supports continuous training and career development activities.

The Placement Cell functions under the leadership of Dr. C. V. Satyanarayana, Vice Principal and Training & Placement Officer, along with an efficient placement coordination team. The team ensures effective planning and smooth execution of placement activities, maintains communication with recruiters, and continuously monitors students' skill development and placement progress.

Through continuous training, industry collaboration, and dedicated career support, the Placement Cell has emerged as a strong platform for nurturing students into competent professionals and responsible citizens, thereby contributing significantly to the institution's vision of academic excellence and holistic student development.

The Placement Cell conducts:

- Soft skills development programs
- Aptitude and reasoning training
- Resume preparation workshops
- Mock interviews
- Technical training sessions
- Industry interaction activities.
- Internship and placement coordination
- Job Melas

7. Department of Statistics

<https://www.sjcknl.edu.in/statistics-department>

The Department of Statistics was established in 1998 and focuses on developing students' knowledge in statistical methods, data analysis, and computational techniques. The department serves various academic disciplines like Computer Science, Life Sciences etc., and prepares students for careers in analytics, research, finance, and data science. The department continuously promotes conceptual understanding and practical applications of statistics.

9. Department of Chemistry

<https://www.sjcknl.edu.in/chemistry-department>

The Department of Chemistry was established in 1994 and is committed in providing quality chemistry education through classroom teaching, laboratory experimentation, and research-oriented learning. The department encourages students to apply chemistry concepts to real-life problems and supports innovation through practical exposure and extension activities. The department has well-established laboratories with modern facilities and trained faculty members.
