REPORT ON

FINANCIAL WELLNESS AWARENESS PROGRAM 2025

About NSE Academy

NSE Academy Limited, a subsidiary of NSE Investments Limited (formerly known as NSE Strategic Investment Corporation Limited) was setup in March 12, 2016 to promote financial literacy as a necessary life skill and provide training and certifications in Banking, Insurance and Financial Markets. It promotes development of a pool of human resources having right skills and expertise in each segment of the BFSI industry to provide quality intermediation to market participants.

Speaker Profile

Mr. Avijit Majumder is a professional in the Financial Services industry with over two decades of diversified experience. His expertise spans across Business Development—covering strategy formulation, client handling, and team management—as well as Mutual Funds, where he has worked extensively in sales, operations, and distributor training. He is also skilled in content development related to macro and microeconomics, and domestic and international capital markets.

FINANCIAL WELLNESS AWARENESS PROGRAM

The program aimed at educating students about the importance of sound financial planning from an early age and providing practical knowledge on managing personal finances effectively.

Key indicators of the program are:

1. **Spending**
2. **Saving**
3. **Borrowing**
4. **Planning**

The session covered basics of advanced financial concepts like budgeting, managing debt, the power of compound interest, and an introduction to investments like mutual funds and stocks.

Participants: Lecturers, I year B Com and BBA students.

Program Coordinator: Mr. M. Arjun Gupta

Objectives

The primary objectives of the program are:

- To enhance financial awareness and literacy among students.
- To educate students on the importance of financial planning.
- To provide practical knowledge on budgeting, saving, and investing.
- To develop smart investment and financial planning skills.
- To equip students with the ability to make informed and effective decisions about money matters.

Program Outcomes

- **Development of Saving and Investing Habits:** Attendees understood the importance of saving, building an emergency fund, and the basics of investing for long-term goals like retirement, leveraging the power of compound interest.
- **Improved Confidence:** Students felt confident in managing their personal finances effectively.
- **Reduced Financial Stress:** By knowing how to control their finances, students experienced less money-related stress, which will have a positive impact on their academic performance and overall well-being.
- **Students were empowered towards Financial Independence**
