# ANNUAL **REPORT**

August 2022 - August 2023

**INSTITUTION'S INNOVATION COUNCIL**

**St. JOSEPH'S DEGREE COLLEGE**  
SUNKESULA ROAD, KURNOOL

# About St. Joseph's Degree College:

St. Joseph's Degree College established in 1994 is governed by St. Joseph's Educational Society. It is an unaided private Degree college affiliated to Rayalaseema University, Andhra Pradesh. It made a humble beginning with 180 students and now the College offers 11 courses in the streams of Life sciences, Mathematics, Commerce & Management to 2500 students.

## ***Institution's Innovation Council of St Joseph's Degree College***

### ***Vision:***

The Entrepreneurship Awareness Cell strives to spread awareness on entrepreneurship and equip the students with necessary information & skills to plunge into the market as entrepreneurs

### ***Mission:***

We constantly give students good exposure, through interactions with successful entrepreneurs, workshops and fieldtrips, and thereby nurture the ideas of leadership, self development, robust and positive attitude to meet the challenges as an entrepreneur

## ***Journey of IIC in St. Joseph's Degree College***

Ministry of Education (MoE), Govt. of India has established 'MoE's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions.

Under the guidance of Academic Head Showrilu Reddy and able leadership of Principal Dr K.Shantha and Vice Principal Dr C.V Satyanarayana St Joseph's Degree College got enrolled under IIC in 2022. College gained a 3-Star Rating in IIC at the end of the first year of enrollment. This motivated our IIC faculty team to further nurture student innovation and entrepreneurship in the campus. We are focused on sustaining our position and recognition through a variety of student centric programs, activities and competitions.

Our team has been successful in creating a positive entrepreneurial climate and risk taking behavior among the students. In this process the faculty have undergone **Innovation Ambassador Training - Basic and Advanced** by IIC and have progressed as value added assets to the institution.

# KEY FUNCTIONARIES IN THE IIC OF ST. JOSEPH'S DEGREE COLLEGE

Ms. Y. SHOWRILU REDDY

Dean of Administration

Our aim is to develop resilient human resources, local ecosystems and contribute to the community well being, with this strong intention IIC team is acting as mentors to dreamers & helping them to achieve their dreams

Dr. K. SHANTHA

Principal of SJDC  
President of IIC

The association with IIC has given our team a new perspective, better competency and progressive development; it has relatively increased our sense of responsibility making us more quality conscious. The team is focused on sustaining our position and recognition through a variety of **student centric programs, activities and competitions.**

Dr. C. V. SATYANARAYANA

Vice Principal of SJDC

Our college IIC nurtures, **identifies and rewards innovations.** We share success stories and also organize periodic workshops, seminars, interactions with entrepreneurs, investors, professionals and create a **mentor pool** for student innovators.

Dr. LILAMBESHWAR SINGH

Vice President, IIC

**"Entrepreneur Attitude is essential in life"**, it is essential to start, run a successful business and be resilient to failures. The risk taking attitude is what sets apart an entrepreneur from a commoner.

Mrs. V. H. S. PALLAVI

Convenor, IIC

Every year IIC team organizes an **Entrepreneurship Development Certificate Program** which brings students from all the streams become aware of the concepts of Entrepreneurship, Innovation, Startups & IPR.

MR. R. PRASAD

Convenor, EDC

The St. Joseph's Entrepreneurship Collective provides programs that empower members of the community to pursue their entrepreneurship potential as initiators, freelancers and professionals.

## FACULTY COORDINATORS

**G. Lakshmi Devi**

*IPR Coordinator*

A 1-day online workshop on IPR was conducted by Dr. Bharath N Suryanishi, Assistant Controller of patents and design, RGNIPM Nagpur as a part of **National Intellectual Property Awareness Mission (NIPAM)** initiative - Government of India. IPR concepts, registration and filing were explained.

**M. Saritha**

*Innovation & Start up Coordinator*

Startup is generally a private venture, organization or association that creates & improves an adaptable & flexible plan for business. On the Occasion of **"National Startup Day"** we organized an expert session on "Startup India" an initiative of Government of India

**Rabiya Tanzila**

*YUKTI Asst Coordinator*

The incubation centers allow entrepreneurs to preserve capital and gain external support to accelerate their businesses growth. The students were taken to incubation centres at GPREC and S.K University, Ananthapuram.

**S.AFSHAN ANJUM**

*Innovation Ambassador Training Coordinator*

**World Entrepreneurship Day** was celebrated in College. A very interesting & interactive sessions on "Entrepreneurship Ideas, Innovation & Start-Up" was organised to St. Joseph's Junior College students.

**N. BHARGAVI**

*Innovation Ambassador Training Coordinator*

IIC encourages and helps the students to arrange food stalls during various college fests. The students are provided with space for stalls and furniture and this helps them in developing their **retailing skills**.

**Saiqua Zareen**

*In-charge Field Visits*

Field visit create awareness and practical exposure to students. We visit to **Smart Cold Chain Expo** at Hitex city, Hyderabad with the aim of educating students about the logistics and Technology behind the transport of temperature sensitive goods.

**P. Neelima**

*Social Media Coordinator*

**Innovation** is the process of creating and implementing new ideas, products, services, or methods that bring about significant improvements, change, or advancements in various fields, such as technology, business, science, or society as a whole.

**Sadiq Hassan**

*Social Media Coordinator*

The concept of **Vocal For Local** is a clarion call for new Entrepreneurs to embrace and promote local products and services. It emphasizes the need for self-reliance, economic growth and sustainable development by supporting indigenous industries

**J. Siva Krishna**

*YUKTI Coordinator*

As the part of **Yukti cell** in IIC, we conduct **Business Idea Competition** in the college. These competitions encourage students to exhibit their ideas and get mentorship from the guides to go forward.

**B. Chandra Sekhar**

*Atal School Linkages Coordinator*

**Atal Innovation Mission** has come up with a plan to connect Atal Tinkering labs established in schools with IIC. Under this program, our institute carried out certain prescribed activities at ATL Schools related to building innovation and Entrepreneurship mind set among school children.

**Dr. V. Suresh Babu**

*In-charge Field Visits*

**Entrepreneurship as a career opportunity** - An Expert talk was aimed at creating awareness on Entrepreneurship, getting new business ideas and choosing it as an alternative to regular jobs.

**P. Moulali**

*Incubation Centre Facilitator*

Students should develop and identify the market requirements and develop products accordingly. They have to find new customers for existing products by enhancing their **Market Research Technology**.

**B.T. Subhash Naidu**

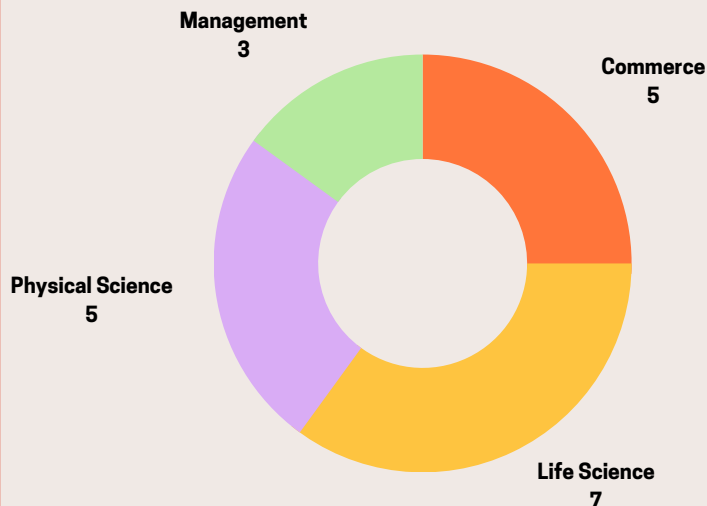

*Atal School Linkages Coordinator*

The **Practical Demonstration Session (PDS)** was offered to the pupils by students of Electronics Department. Live projects of innovative electronic gadgets which have huge applications in day to day life were exhibited in Atal Tinker lab. The pupil listened with rapt attention and did projects with their help

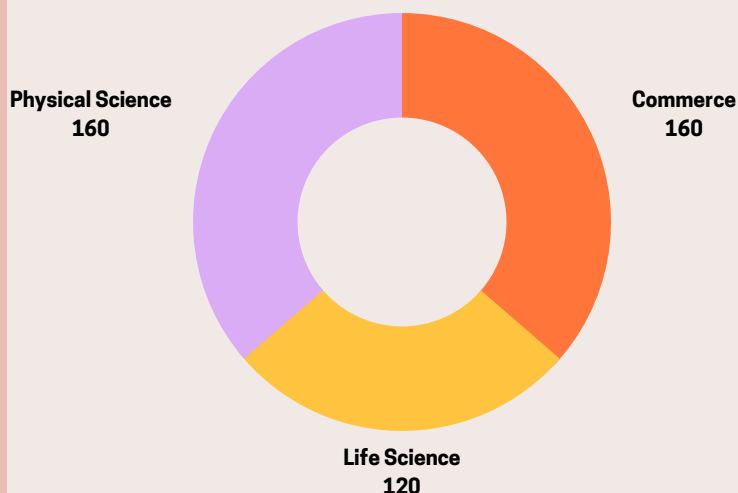

**INNOVATION

HEAD OF DEPARTMENT  
Dr. P. Praveen Kumar

## ATAL SCHOOL LINKAGES

The main objective of the Atal Tinkering Labs is to create curiosity, creativity, and imagination in young minds inculcating skills such as design mindset, adaptive learning, and physical computing in students. We are mentoring 3 schools promoting innovation and knowledge sharing among the students and teachers. This helps the students to experience, learn, and practice future skills such as design and computing learning.

22-08-2023	WORLD ENTREPRENEURS DAY	75 Jr College students	IIC Faculty Team	St Joseph's Junior College, Kurnool

## STUDENT TESTIMONIALS

**M. Lavanya**

**III BBA**

EDC supported us to develop, launch, and commercialize my idea into profitable venture. The cell has provided me with access to resources such as mentorship, networking opportunities, funding, and training programs, it helped me to develop the skills and knowledge needed to succeed in the world of entrepreneurship.

**Rehan Sheik**

**III BSc(Maths)**

As a student entrepreneur, I was not just studying textbooks; but navigating the real-world challenges of starting and running a business. This path offered a unique opportunity to apply classroom knowledge to practical situations, from writing business plans to managing finances.

**N.Sai Sharanya**

**III B Sc(Maths)**

I am very happy to be a part of Entrepreneurship development cell. Being a Math student I didn't have any business subject in academics and IIC gave me an opportunity to gain a lot of knowledge about business techniques. I gained exposure from field visits to industrial estates. I did many activities like running stalls, team projects etc

**R.Yaswanth Goud**

**III B Com(Computers)**

I sincerely express my gratitude to IIC & EDC of St Joseph's Degree College for giving awareness about the startup ecosystem and practical knowledge about the business ideas. The workshops covered various aspects of entrepreneurship, from idea generation to business planning and funding.

**G.Naga Phani**

**III B Com (Computers)**

I personally feel ED Cell is for career settlement in the business field. When we visited Atal Incubation Centre Anantapur the support they provided, made me to decide to start my own business after completing my Post Graduation. My work as a volunteer in EDC & IIC helped me to deal with different sorts of people and manage the situations well

**Josh Martin & Ganesh**

**III B Sc (Life Sciences)**

A ship in the sea needs a compass, You have a plan, and then EDC is the compass, they guide you to your goal. We were dot in a universe but EDC recognized and supported us to start a business model in our college named "SJ Linkers. From EDC we learned a lot, mentors gave us a boost and the perfect direction to our idea.
