## Gist

### About FDP

The program aims is to equip the participants with the knowledge of Cyber Security and this program will be focused on providing insights into modern cyber threats, defence mechanisms, ethical hacking, network security, and the latest trends in cyber laws.

### Learning Objectives:

- To provide faculty members with a comprehensive understanding of cyber security concepts.
- To enhance awareness about emerging cyber threats and preventive measures.
- To train faculty in practical approaches such as ethical hacking and penetration testing.
- To familiarize participants with national and international cyber laws.
- To encourage research and academic initiatives in cyber security.

### Resource Person

The FDP invited eminent speakers and experts from academia, industry, and government organizations specializing in cyber security.

1. Mr. D.Sai Satheesh

## Program Schedule

The FDP was structured across 2 days, with sessions covering both theoretical and practical aspects of cyber security.

Day 1: Introduction to Cyber Security and Emerging Threats

Network Security and Cryptography

Ethical Hacking and Penetration Testing

Day 2: Cyber Laws, Policies, and Case Studies

Hands-on Workshop, Assessments, and Feedback

## ATTENDANCE SHEET

Faculty Development Programme on Cyber Security (12th & 13th July 2025) Attendance
