Inno Minds 2025 is an inter-collegiate competitions organized by the Department of Computer Science at St. Joseph's Degree College, Kurnool. The event which aims to develop technological skills in students, will be held on August 5, 2025, at St. Joseph's Degree College in Kurnool, Andhra Pradesh.

The fest will include a different types of events.

Morning events	Afternoon events
➤ Intelix Quiz	➤ Meme Minds
➤ Logical Byrinth	➤ Code Quest
➤ Brain Binary	➤ Anime Versa
➤ The Brainiac	
➤ Flow Nexus	

To participate, students must submit a Google form by August 2, 2025. The registration fee is Rs.100/- per event. Students can participate in either a morning or an afternoon session, or both. More information, including the event schedule and rules, is available in a detailed brochure and on the college's website, www.sjcknl.edu.in. The Head of the Department, S. LathaRani, sent the invitation letter on July 25, 2025 to the principals of all degree colleges in Kurnool District. The organizers have encouraged students to participate enthusiastically, noting that their involvement would contribute to the event's success and provide them with valuable exposure.

CODE – X: Coding Club Committee was formed and planned to launch guidelines manual by Chief Guest.

INNO MINDS 2025 is the right word chosen to show our passion and enthusiasm to encourage all students in developing their technological skills on this auspicious event.

OBJECTIVES:

1. Encourage students to present innovative tech ideas and projects.
2. Provide a platform for intercollegiate collaboration and networking.
3. Connect students with real-world tech trends through expert-led sessions.
4. Promote skill-building through coding and tech challenges.
5. Recognize and reward exceptional talent and innovation.

PROGRAM OUTCOME:

1. Participants enhance their technical, creative, and problem-solving skills.
2. Students build strong intercollegiate connections and networks.
3. Industry experts provide exposure to real-world tech trends and careers.
4. Innovative ideas and projects are developed through competitive events.
5. Outstanding talent is recognized and rewarded for excellence
