Department of Computer Science and Applications

**OUR INSTITUTION**

Sri Ramakrishna Education Society was founded in 1984 under the able chairmanship of a visionary educationist Dr. G. Ramakrishna Reddy. The Society started Sri Ramakrishna Degree College in the same year at Nandyal. The College is known for its academic excellence. The College has become Autonomous College from the Academic Year 2005-2006. It offers Undergraduate courses with different single major combinations viz., B.C.A, B.B.A, B.Sc. Computer Science and B.Sc. Botany.

Both B.C.A and B.B.A courses are approved by A.I.C.T.E, New Delhi. The College is recognized by government of Andhra Pradesh and affiliated to Rayalaseema University, Kurnool. The College obtained I.S.O 9001:2015 Certification. The College is also conferred with "College with Potential for Excellence" Status by U.G.C.

The College is Re-accredited with 'A' grade by N.A.A.C in all Three consecutive Cycles (1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> Cycles).

After a decade's rich experience at Undergraduate level, College started different Post Graduate Courses from 1994 viz., M.C.A – a two year full time Programme with an intake of 120 students and M.B.A – a two year fulltime Programme with an intake of 120 students. These two courses are approved by A.I.C.T.E, New Delhi. The College offers other fulltime Postgraduate courses viz., M.Com. Professional, M.Sc. Computer Science and M.Sc. Mathematics.

The Management, Director, and Staff Members are relentlessly striving hard for the promotion of qualitative higher education. They spare no efforts in infusing professionalism among students.

**ABOUT KAMEROON – 2K25**

To strengthen the professional courses such as B.C.A, we organize a number of National and State Level Meets in Information Technology and other fields. **KAMEROON – 2K25** is one such effort.

**KAMEROON – 2K25** is a one day National Level Information Technology Meet. This is being organized by the B.C.A. students and Staff Members of Department of Computer Science and Applications of our college. This fest explores not only technical skills but also inherent and analytical abilities of the participant students. It provides best opportunity for testing student talent and improving competitive spirit. It is the best platform for showcasing and elevating the student knowledge in various aspects.
