Kurnool.

Respected Sir/Madam,

Sub: - Request to conduct "ZEST 2023-24" program on the eve of "World Computer Literacy Day" – Reg.

***

The Department of Computer science has decided to conduct "ZEST 2023-24" program on the eve of "World Computer Literacy Day" i.e. 2 December, 2023 for all the Inter-Collegiate students. To provide awareness on computer necessity and its importance we want to conduct various competitions.

So I request to consider the proposal and permit to conduct the program.

With Regards,

(S Latha Rani)
HOD,
Computer Science Department

2nd *Dec*, **World Computer Literacy Day** was launched by Indian Company **NIIT** to mark its 20th anniversary in 2001, in response to research which suggested that the majority of Computer users around the world were Men. So, this day is intended to encourage the development of technological skills particularly among children and women in India.

St. Joseph's Degree College, Computer Science Department Organized "**ZEST 2023**" on World's Computer Literacy Day to inculcate technological skills in students as we all know that in this era the literacy of Computers has become a basic need for everyone.

ZEST is the right word chosen to show our passion and enthusiasm to encourage all student to develop their technological skills on this auspicious occasion of "worlds computer literacy day".

Department of Computer Science planned an interactive session on **WhatsApp** and **PhonePe** Applications to create a comprehensive and accessible training program.

The purpose of the training is, to teach service staff:

❖ To learn about how to share multimedia content such as video, infographics, and audio messages by using **WhatsApp**

❖ To teach about how to use **PhonePe** for digital transactions.

✓ Provided a brief explanation of **WhatsApp** and **PhonePe** and its key features.

✓ Highlight the benefits of using **PhonePe** for secure and convenient transactions.

✓ Conducted small practice on making transactions on payments and receipts and how to check transaction history and notifications using **Phonepe** and also a practice on how to share multimedia content using **WhatsApp**.

In this session, service staff can ask questions and share their experiences.

Prizes were awarded to the winners, especially for their successful participation and achievement in the **WhatsApp** and **PhonePe** training.

This day reminds us to contribute our quota towards making computers accessible and easy to understand for those who are very creative in innovative thoughts.

The Various competitions held at **ZEST 2023** are:

- ✓ **Bit Battle (An online quiz)**
- ✓ **Crypters (Password Hunters)**
- ✓ **Coding Wizards (Coding in 'C')**

Objectives:

- ✓ The basic computer knowledge and its accessibility
- ✓ To evaluate the knowledge in C programming which is basic programming language?
- ✓ To check their learning key skills according to Job market.
- ✓ Spontaneity to present their knowledge using Computers

Program Outcomes:

- ❖ Able to understand the basic computer knowledge.
- ❖ Usage of technology in an innovative way.
- ❖ Flexible usage of computer in presenting knowledge.
- ❖ Analyze his standard in computer technology.
