Attention to all UG Students.

**DFAP (Drugs Free Andhra Pradesh) Programme.**

**Activity 3: SIGNATURE CAMPAIGN**

The Government of Andhra Pradesh has launched an initiative to make Andhra Pradesh drug-free. We invite all UG students to participate in a SIGNATURE CAMPAIGN activity to raise awareness about the dangers of drug abuse

The Government of Andhra Pradesh is committed to creating a drug and tobacco free society. To curb the menace of drugs and tobacco, various initiatives have been launched to raise awareness among the youth and the broader community. The Drug Free Andhra Pradesh [DFAP] is a comprehensive drug and tobacco prevention awareness program, being implemented across all universities and colleges of Andhra Pradesh. College-based drug awareness program is essential in equipping young adults with the knowledge, resources, and support needed to make informed choices, prevent substance abuse and foster a healthier campus environment.

## Gist on DFAP (Drugs Free Andhra Pradesh) Programmed

- A signature campaign against drug abuse was organized in St Joseph's Degree college to create awareness among students about the harmful effects of drugs. The event aimed to encourage young people to take a stand for a drug-free life and promote a healthy, responsible lifestyle.
- The program began with a brief address by the Coordinator, who highlighted the physical, mental, and social dangers of drug addiction. Informative posters and charts were displayed to help students understand the long-term consequences of substance abuse. After the session, students were invited to sign a large pledge board, promising to stay away from drugs and spread the message among their peers.
- The enthusiastic participation of students reflected their commitment to maintaining a drug-free environment. The campaign successfully raised awareness and inspired students to make positive choices for their future.

### The objective :

- To create awareness** among students about the harmful effects of drug abuse on health and life.
- To motivate students** to stay away from drugs and make responsible lifestyle choices.
- To encourage collective action** by involving students in signing a pledge against drug use.
- To promote a drug-free environment** within the colleges and community.
