

# Faculty Development Programme on

## “AI Tools for Teaching and Learning”

St. Joseph’s Degree College, Kurnool

22 & 23 December 2025

St. Joseph’s Degree College, Kurnool, organized a two-day Faculty Development Programme on “**AI Tools for Teaching and Learning**” on 22nd and 23rd December 2025 for all faculty members.

The programme aimed to familiarize teachers with modern AI tools useful for teaching, content creation, assessment, and research activities. Faculty members from Science, Language, Commerce, and Computer Science departments actively participated in the sessions.

On 22nd December 2025, **Dr. C. S. Sreenivasa Rao**, Department of Zoology, explained the applications of **InVideo AI** and **Gamma AI** in creating presentations, videos, and classroom content. **Akhil Modi**, Department of Commerce, demonstrated the use of **Notebook LM** and **Napkin AI** to the Science and Language faculty members.

For the Commerce and Computer Science faculty, **P. Sai Srujana** explained **OBG**, while **K. Chaitanya Lakshmi** demonstrated the educational uses of **Edpuzzle** for interactive teaching and assessment.

On 23rd December 2025, the resource persons exchanged their sessions vice-versa, enabling all faculty members to gain exposure to every AI tool discussed during the programme.

The FDP provided valuable hands-on experience with emerging AI technologies and encouraged faculty members to adopt innovative, smart, and future-ready teaching practices. The programme concluded successfully with positive feedback from the participants.
