Yoga is an ancient ascetic practice that originated in India, combining **physical, mental, and spiritual pursuits** to achieve harmony between the body and mind. Practicing yoga regularly offers numerous benefits, including **improved physical health, mental clarity, and emotional balance**.

This year's observance highlighted yoga's vital role in enhancing energy levels and strengthening the immune system, especially in the context of ongoing challenges posed by the COVID-19 pandemic. The pandemic has intensified psychological suffering and mental health concerns across the globe. In response, a growing number of people have turned to yoga to maintain their well-being, combat social isolation, and manage depression.

Yoga has also proven to be a powerful tool in the **psycho-social care and rehabilitation** of COVID-19 patients, particularly those in quarantine or isolation. It has helped alleviate fear, anxiety, and emotional distress.

To raise awareness about the importance of **health and wellness**, **St. Joseph's Degree College NCC cadets**, along with **ANO Lt. I.S. Raghuram**, actively participated in the **International Yoga Day celebrations** held at **Kurnool Stadium**, organized by the **Government of Andhra Pradesh**. ## INDEPENDENCE DAY CELEBRATIONS (HAR GHAR TIRANGA)

---

**Schedule: 15<sup>th</sup> August 2024**

### About the program:

On **August 15, 1947**, India declared independence from British colonial rule, marking a monumental shift in the nation's history. This pivotal moment, famously referred to as a “**tryst with destiny**”, signified the culmination of a long and arduous freedom struggle, led by countless freedom fighters who made great sacrifices - many even laying down their lives for the cause of a free India.

**Independence Day**, observed annually on August 15th, holds profound significance as it commemorates the dawn of a new era — one free from over two centuries of British colonial domination. This day is a reminder of India's hard-won freedom and a tribute to the resilience, courage, and unity of its people.
