SPECIAL CAMP PROGRAMME

N.S.S. UNIT-I

DAY-WISE PROGRAMME

DAY -1 (09-02-2024)

With the special permission from Rayalaseema University, the NSS Unit-I of St. Joseph's Degree College gathered at Nidjuru village to attend a special camp from 09-02-2024 to 15-02-2024. The camp programme was inaugurated by Panchayath Secretary, later our students have gone for a rally throughout the Nidjuru village enhancing the people about the importance of the camp. In the afternoon, our NSS students have visited a High school at Nidjuru village and gave a seminar on COMMUNICABLE DISEASES to educate the students about common diseases, fostering awareness and emphasizing preventive measures.

DAY-2 (10-02-2024)

On the second day of the camp, there was a free Dental camp organized by NSS volunteers to the people of Nidjuru village where a group of enthusiastic dental doctors from G. Pullareddy Dental College visited and organized a dental camp bringing oral health care awareness to communities. The camp aimed to raise awareness about dental hygiene and provide basic dental services to the people. Later in the afternoon session, a seminar was conducted to all our NSS volunteers on 'PERSONALITY DEVELOPMENT' by Mrs.S.Swathi Kalyani, Lecturer in English, by enhancing and motivating the students about the importance and development of personality.

DAY-3 (11-02-2024)

The day started with cleaning of Nidjuru village. Our NSS volunteers divided into batches and cleaned various places like the church, masjid, and temple. During afternoon session, there was a seminar on 'Skill Development' by Prof.Visweswara Reddy. Our NSS volunteers clarified their various doubts on this topic.

Day-4 (12-02-2024)

On the fourth day of the camp, we had an opportunity to clean the high school playground. This task aimed to create a clean and safe environment for fellow students, fostering a sense of pride and well-being. Our NSS volunteers diligently picked up litter, sweep away the dirt and organized the playground equipment. During afternoon session, there was a special lecture on 'Voice of Vivekananda' by Mrs.V.H.S.Pallavi, Lecturer in Commerce and Management.

Day-5 (13-02-2024)

On the fifth day of the NSS camp, we had an exciting lineup of activities focused on environmental conservation. Volunteers enthusiastically took part in digging pits and sampling plants. By digging pits aimed to create spaces for planting trees and promoting greenery. During afternoon session, there was a special awareness programme on AIDS and seminar was conducted on healthcare.

Day-6 (14-02-2024)

On the sixth day of the camp, Our NSS volunteers organized a blood grouping activity for the high school students and villagers. It aimed to create awareness about the importance of blood donation and understanding one's blood type. This activity not only helped in identifying blood types. In the afternoon, there was an interaction session with Mrs.Aruna, NSS coordinator of Rayalaseema University. And special cultural activities like singing, dancing and mono-action was performed by our NSS volunteers.

Day-7 (15-02-2024)

On the seventh day of the camp. In the forenoon session, there was a special health survey conducted in Nidjuru village and special cleaning programme was conducted in primary school and our volunteers had given a special awareness on cleanliness and its importance. In the afternoon session, our volunteers gathered for the Valedictory function, where they were appreciated by programme officers for their extraordinary commendable services to the village. Programme officers thanked the volunteers for their enthusiastic participation and praised them with the following words that, 'It was in the hands of our volunteers who created better environment for all the villagers'.
