Program Report on Institution's Innovation Day Celebration

(Dr. A.P.J. Abdul Kalam's Birth Anniversary)

The **Institution's Innovation Day Celebration** was organized on the occasion of **Dr. A.P.J. Abdul Kalam's Birth Anniversary** to honor the great visionary, scientist, and former President of India. The event was conducted under the **EDC-IIC Cell** in collaboration with the **Department of Physics** on **18th October 2025** in the college Physics lab.

As part of the celebration, a **Quiz Competition on Innovation and Science** was held to encourage students' creativity, critical thinking, and awareness of technological development. The program began with a brief introduction highlighting Dr. A.P.J. Abdul Kalam's contributions to science, technology, and innovation.

A large number of students enthusiastically participated in the quiz competition, showcasing their knowledge and innovative spirit. The event created an engaging and inspiring atmosphere, promoting scientific temper among students.

The winners of the quiz competition were appreciated and awarded certificates for their outstanding performance. The program concluded with a message emphasizing the importance of innovation and continuous learning in achieving success, as envisioned by Dr. Kalam.

Objectives:

- To commemorate **Dr. A.P.J. Abdul Kalam's Birth Anniversary** and honor his contributions to science, technology, and innovation.
- To promote the **spirit of innovation and creativity** among students.

- To encourage students to **think critically and apply scientific knowledge** in real-life contexts.
- To create awareness about the importance of **research, innovation, and entrepreneurship** in nation-building.
- To provide a platform for students to **showcase their knowledge and teamwork** through a quiz competition.
- To motivate students to follow the **vision and values of Dr. A.P.J. Abdul Kalam**—dream big, work hard, and innovate for the betterment of society.

Outcomes:

- Students gained **awareness about innovation, research, and scientific advancement** inspired by Dr. A.P.J. Abdul Kalam's vision.
- The quiz competition helped students **enhance their knowledge** and develop **team spirit and problem-solving skills**.
- The event **ignited creative thinking and curiosity** among students toward science and technology.
- It strengthened collaboration between the **EDC–IIC Cell and the Department of Physics** in promoting innovation-based learning.
- The celebration successfully **motivated students to adopt innovative approaches** in their academic and personal growth.
