

EVENT REPORT: BLOOD DONATION CAMP

Date: 12.07.2026

On July 12, 2026, the Youth Red Cross (YRC) Wing of St. Joseph's Degree College stepped up to support a highly impactful Mega Blood Donation Camp. Organized by the Red Cross Society of Kurnool, the event was hosted at the Montessori Indus School campus. The student volunteers served as the backbone of the drive, providing vital hands-on assistance to the medical teams and ensuring everything ran smoothly from start to finish. From transporting temperature-controlled blood storage boxes to managing donor registration and offering bedside comfort, their energy and coordination were visible everywhere. To honour their outstanding dedication, discipline, and community spirit, the event organizers and distinguished guests presented the student volunteers with Certificates of Appreciation and special rewards, celebrating their invaluable contribution to saving lives.
