

VISIT TO VETERINARY POLY CLINIC, KURNOOL.

Organised by
The Department of Zoology
St. Joseph's Degree College
Kurnool

Letter to IQAC

To
The IQAC Coordinator
St. Joseph's Degree College
Kurnool

Date: July 16, 2024.

Subject: Seeking Permission to Organize a Visit to Govt. Veterinary Polyclinic

Respected Sir/Madam,

The Department of Zoology is planning to organize an educational visit to the **Govt. Veterinary Polyclinic, near Kondareddy Buruju, Kurnool**, on **2nd August 2024** at **10:00 AM**. This activity aims to provide our students with an understanding of veterinary healthcare practices, which are closely related to their curriculum.

The visit is intended for the **B.Sc. Zoology 3rd-year students**, and it will help them gain practical exposure to animal healthcare, diagnostic procedures, and treatment methods. A total of **[number of students]** students are expected to participate, along with faculty members.

We kindly seek your approval to conduct this visit as part of our academic initiatives. We assure you that all necessary arrangements for transportation, safety, and discipline will be made.

We hope for your positive response and guidance in facilitating this educational activity.

Thank you for your support.

Yours sincerely,
Dr.C.S.Sreenivasa Rao
Head, Department of Zoology
St. Joseph's Degree College, Kurnool

CIRCULAR

Date: 30-7-2024

The Department of Zoology is organizing an **educational visit to the Govt. Veterinary Polyclinic, near Kondareddy Buruju, Kurnool, on 2nd August 2024 (Friday) at 10:00 AM.**

This visit aims to provide students with practical knowledge about veterinary healthcare practices, diagnostic procedures, and treatment methods. The details of the event are as follows:

Instructions for Participants:

1. Assemble at the college campus by **9:30 AM** for attendance and briefing.
2. Wear your college ID card during the visit.
3. Maintain discipline and follow the instructions of the faculty coordinators.
4. Bring a notebook and pen for taking notes during the visit.

This educational visit is a part of our academic activities to enhance your practical knowledge and exposure. Attendance is mandatory for all eligible students.

For further details, please contact the Department of Zoology.

Head, Department of Zoology

REPORT ON THE VISIT TO GOVT. VETERINARY POLYCLINIC, **KURNOOL**

Organising Department: Zoology

Name of the Activity: Visit to Govt. Veterinary Polyclinic

Purpose of the Activity: To provide knowledge on veterinary healthcare practices

Date and Time: 2nd August 2024, 10:00 AM

Venue: Govt. Veterinary Polyclinic, near Kondareddy Buruju, Kurnool

The Department of Zoology, St. Joseph's Degree College, Kurnool, organized an educational visit to the Govt. Veterinary Polyclinic, Kurnool, on 2nd August 2024. The visit was aimed at giving students practical exposure to veterinary healthcare practices, enhancing their understanding of animal health management, diagnostic techniques, and treatment protocols.

Objectives of the Visit

1. To familiarize students with the functioning of a veterinary polyclinic.
2. To provide hands-on exposure to diagnostic and treatment procedures for animals.
3. To highlight the role of veterinarians in maintaining livestock and pet health.
4. To bridge the gap between theoretical knowledge and real-world practices.

Details of the Visit

The group of students and faculty members arrived at the venue at 9:50 AM and was greeted by the veterinary staff. After a brief introductory session about the clinic's history and operations, the students were given a tour of the facility.

1. Diagnostic and Examination Unit:

The visit began with an introduction to the diagnostic tools and procedures used in the clinic. Students observed the process of physical examinations of animals and learned about the importance of identifying symptoms for accurate diagnosis.

2. Treatment Section:

Students witnessed the treatment of various animals, including livestock and pets. The veterinary staff demonstrated procedures such as administering vaccines, wound dressing, and administering intravenous fluids.

3. Surgical Theatre:

The students were given an overview of the surgical theatre, where complex procedures are performed. The veterinarians explained the importance of sterilization and aseptic techniques in preventing infections.

4. Pharmacy and Medication:

Students visited the in-house pharmacy, where they learned about commonly used veterinary medications, their administration methods, and the importance of dosage accuracy.

5. Animal Care and Rehabilitation:

The visit included a session on post-treatment care, including rehabilitation practices for

injured animals. The importance of maintaining animal welfare and ethical practices in veterinary healthcare was emphasized.

Key Learnings

The visit provided students with:

- Practical knowledge of diagnostic and treatment procedures for animals.
- Insights into the daily challenges faced by veterinarians.
- A deeper understanding of the role of zoology in veterinary sciences.
- Awareness of career opportunities in the field of veterinary healthcare.

Feedback and Interaction

The session concluded with an interactive Q&A, where students engaged with veterinarians to discuss topics such as zoonotic diseases, livestock management, and advancements in veterinary technology. The staff commended the students for their enthusiasm and encouraged them to explore veterinary science as a career path.

Conclusion

The visit to the Govt. Veterinary Polyclinic was highly informative and achieved its objectives of providing practical exposure to veterinary healthcare practices. The students gained valuable insights into the role of veterinary professionals and the importance of animal healthcare.

The Department of Zoology extends its gratitude to the management and staff of the Govt. Veterinary Polyclinic for their cooperation and hospitality, and to the college administration for facilitating this educational initiative.

Acknowledgment

We thank the IQAC Coordinator and faculty members for their support in organizing this visit. A special thanks to the veterinary staff for their time and valuable insights.

From:

Dr. Hemanth Kumar,
Deputy Director,
Government Veterinary Polyclinic,
Kurnool.

To

The Principal,

Subject: Visit of Zoology Students from St. Joseph's Degree College to Government Veterinary Polyclinic.

Dear Principal,

This is to confirm that on August 2, 2024, a group of students from the Department of Zoology at St. Joseph's Degree College visited the Government Veterinary Polyclinic. As requested by the Head of the Department, we facilitated their visit and provided a thorough overview of various veterinary practices, including vaccination, castration, dehorning, and other pertinent procedures.

We believe that this experience will greatly enrich the students' understanding of veterinary science and contribute to their academic growth.

Best regards,

Dr. Hemanth Kumar
