St. Joseph's Degree College
DEPARTMENT OF ZOOLOGY
Letter to SJCQAC

To

The IQAC Coordinator,

St. Joseph's Degree College,

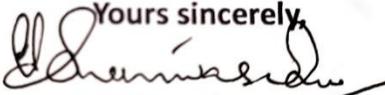

Kurnool.

Respected Sir,

The Department of Zoology intends to organize a **field visit to the Government Veterinary Polyclinic, Kurnool, on 2nd August 2025.**

This visit will be helpful for students to gain practical exposure to veterinary practices and develop an interest in the subject. We kindly request your permission to conduct this educational visit.

Thanking you,

Yours sincerely,

Dr. C.S. Sreenivasa Rao

Head, Department of Zoology.

Date : 31 / 07/ 2025

Circular

Dear Students,

This is to inform you that the **Department of Zoology** is organizing a **field visit to the Government Veterinary Polyclinic, Kurnool, on 2nd August 2025.**

This visit will provide students with an opportunity to observe real-time veterinary practices and understand relevant procedures. All final-year students are requested to participate in this academic visit.

From:
Dr. Hemanth Kumar
Deputy Director
Government Veterinary Polyclinic
Kurnool

To:
The Principal
St. Joseph's Degree College
Kurnool

Date: 2 August 2025

Subject: Visit by Zoology Students from St. Joseph's Degree College to Government Veterinary Polyclinic

Dear Principal,

This is to confirm that on 2 August 2025, a group of students from the Department of Zoology at St. Joseph's Degree College visited the Government Veterinary Polyclinic, Kurnool. As requested by the Head of the Department, we facilitated their visit and provided a comprehensive overview of various veterinary practices, including vaccination, castration, dehorning, and other relevant procedures.

We believe this visit will significantly enhance the students' understanding of veterinary science and related practices, thereby contributing meaningfully to their academic learning and practical exposure.

Best regards,

Dr. Hemanth Kumar
Deputy Director
Government Veterinary Polyclinic
Kurnool

DEPUTY DIRECTOR (A.H.)

KURNOOL

Gist

The Department of Zoology organized a **field trip to the Government Veterinary Polyclinic, Kurnool, on 2nd August 2025** for the final-year students as part of their academic curriculum.

The visit was successfully conducted, providing students with an opportunity to observe **real-time clinical practices**, including animal examination, diagnosis, and treatment procedures. The interaction with veterinary professionals and exposure to various clinical cases significantly enhanced the students' **practical knowledge and understanding of field-level veterinary services**.

This field trip proved to be highly beneficial in **bridging the gap between theoretical learning and practical application**.

Objectives

- To provide students with hands-on exposure to veterinary practices and clinical procedures.
- To familiarize students with the healthcare services provided to animals at the polyclinic.
- To observe the use of diagnostic tools and treatment methods in veterinary medicine.
- To create awareness about the importance of animal health and welfare.

Outcomes

- Students gained a clear understanding of daily veterinary operations, including animal diagnosis and treatment.
- Participants observed various medical services and care provided to different animal species.
- Students learned about diagnostic tools, techniques, and modern technologies used in veterinary medicine.
- The visit enriched students' appreciation of animal welfare and the significance of veterinary services in society.

Attendance

St. Joseph's Degree College, Sunkesula Road, Kurnool-4

Programme: Visit to Veterinary polyclinic, Kurnool.
