## *A Report on Poster Presentation Competition*

Cultural & Literary Activities Committee organized a Poster Presentation Competition on 14 August 2025 in connection with the 79th Independence Day celebrations. The theme of the competition was “Violence, Struggle, and Pain – Horrors of Partition.”

Students from various undergraduate streams participated with great enthusiasm. The posters reflected artistic excellence, creativity, and deep sensitivity, portraying the emotional and historical aspects of the partition—its violence, human suffering, and the struggles of people.

The participants expressed their ideas vividly through thought-provoking visuals, symbolic representations, and creative sketches that captured the essence of the theme. The event not only showcased the artistic and literary talents of the students but also enhanced their historical awareness and empathy towards the sacrifices made during the freedom struggle.
